

Clothes Washer/Dishwasher Rebate Details

The City of Victoria is pleased to offer a rebate program for the purchase of **replacement** water-efficient appliances as a means of promoting water conservation! Water efficient clothes washers and dishwashers can save you money over their lifetime by reducing the amount of water and energy used to run the appliance.

Here's how the rebate process works:

- ◆ *Purchase an ENERGY STAR® qualified clothes washer and/or dishwasher to replace an older appliance*
- ◆ *Complete this application form and attach a copy of the receipt (the receipt must be dated for the current year and clearly identify the model purchased)*
- ◆ *Submit the application form to the City for review and inspection*

The maximum rebate is \$100 per appliance, not to exceed the cost of the appliance (including other rebates). **Limited funds are available.**

Applications will be processed in the order they are received. This program is limited to residential City of Victoria Utility Account customers.
