NOTES

1. Try to discuss your proposal with adjacent property owners before you submit a formal application. Any conflicts that you can resolve ahead of time will make it easier and faster for the City to process your application.
2. At its discretion, the City may require an outside consultant review the proposed application and provide written comment. Such consultants may include: attorney, engineer, city planner, landscape architect or forester. If the City requires such review and comment, the applicant must provide cash escrow to the City to cover the cost of the review. City staff will notify applicants that such review is required prior to hiring the consultant(s).
