Marsh Lake Road Property Owners

Re: Marsh Lake Road
City of Victoria, Minnesota

Dear Property Owners:

The City of Victoria would like to invite you to attend a neighborhood meeting at **Victoria City Council Chambers (1670 Stieger Lake Lane, Victoria, MN 55386) on Thursday April 16, 2015, from 6:00pm until 7:00 pm.** The purpose of the meeting will be to review potential future improvements to Marsh Lake Road.

Marsh Lake Road will be a future County Road (extension of County Road 14) in accordance with both the City of Victoria and Carver County Comprehensive Plans. The current condition of the roadway is not designed to accommodate the increasing traffic that is anticipated as Carver County continues to grow. The County and City have been working on identifying what the roadway may look like, how the road may be realigned, and how new access points will be managed. At the meeting we will review the status of this work and outline potential steps for moving forward.

If you are unable to attend or have questions regarding this corridor, please do not hesitate to contact me at 651.300.4261.

Sincerely,

Cara L. Geheren, P.E.
City Engineer
