Re: Marsh Lake Road Improvements
City of Victoria, Minnesota

Dear Property Owners:

The City of Victoria would like to invite you to attend a neighborhood meeting in the Council Chambers at Victoria City Hall (1670 Stieger Lake Lane, Victoria, MN 55386) on Tuesday, February 28, 2017, from 6:30pm until 7:30 pm. This meeting is being held with owners of property directly adjacent to the proposed improvements. We will review traffic modeling and discuss in greater detail the proposed roadway layout and alignment as it relates to each specific property along the corridor.

As a reminder, the City has established a designated page for this project on the website which can be found here: <http://www.ci.victoria.mn.us/streetprojects>. Once on the page you can sign up to receive email/text alerts as new information becomes available for this project.

If you are unable to attend this meeting, I am available to schedule individual meetings at your convenience. If interested or have any questions, please contact me at 651.300.4261 or cara.geheren@focusengineeringinc.com.

Sincerely,

Cara L. Geheren, P.E.
City Engineer
